What Is Home Warranty Insurance Is It Worth It (Cost & Plans)

➔ Best Home Warranty Companies -

thesimpledollar.com/home-warranty/best-home-warranty/?utm_source=youtube&utm_medium=video&utm_campaign=home%20insurance

We tackle these questions: what is a home warranty and what does it cover? Not only that, but Jeff explains how much home warranty insurance costs and how it works. He specifically breaks down how a home warranty differs from home insurance. Here are a few other things covered in this video. Best Home Warranty Company: while we don't lay out the best options right now, we do discuss what you should be looking for when you're considering a new home warranty. This will help you in choosing the best home warranty insurance for you. What does a home warranty cover? In general, a home warranty will cover your appliances and/or your home systems. For instance, an appliance plan would cover your refrigerator, washer, dryer, and more, while a home systems plan typically covers the water heater and HVAC system. Is a home warranty worth it? For some people, they are definitely are. Jeff has had a home warranty on several occasions and is a fan of this type of insurance. How does a home warranty work? For the most part, a home warranty is simple and streamlined. You purchase a plan and file a service request when you have an issue. All you do is pay the deductible. How much does a home warranty cost? Most home warranty companies charge between \$25 and \$75 per month for this type of home insurance. The average price for home warranty is about \$400-\$500. ■ RELATED CONTENT ■ What is a home warranty?
